Re: Notice of Ex Parte Contact:
        Second Joint Application of BellSouth For Authorization Under Section 271 Of The Communications Act To Provide In-Region, InterLATA Service In The States Of Georgia and Louisiana, CC Docket No. 02-35

Dear Ms. Dortch:

On Monday May 13, 2002, Len Cali, David Eppsteiner and I met with Commissioner Michael Copps and Jordan Goldstein, Commissioner Copps' Legal Adviser, regarding the above referenced proceedings. In that meeting, we reiterated AT&T's opposition to BellSouth's application for all of the reasons articulated by AT&T in its Comments, Reply Comments and ex parte filings in this docket. In particular, we focused on UNE rate, and OSS change management issues. During the meeting, we discussed AT&T's April 19, 2002 *ex parte* submission and distributed AT&T's May 10, 2002 and May 13, 2002 *ex parte* filings which explain why BellSouth cannot be heard to claim that it has addressed the OSS deficiencies discussed in AT&T's previous filings in this matter. In addition, later in the afternoon, I sent Mr. Goldstein copies of the attached data.

The positions expressed by AT&T during the meeting were consistent with those contained in the Comments and ex parte filings previously made in each of these dockets. One copy of this Notice is being submitted in accordance with the Commission's rules.

Sincerely,

Robert W. Quinn, Jr.

Enclosure
cc: Commissioner Michael Copps
    Jordan Goldstein
